

ESPRINET HAS BEEN CONFIRMED AS TOP EMPLOYER IN ITALY AND HAS BEEN NEWLY CERTIFIED IN SPAIN AND PORTUGAL

Awarded for corporate HR strategy, talent acquisition, learning, sustainability initiatives, as well as integrity and corporate values

Vimercate (Monza Brianza) – Madrid – Zaragoza – Oporto – Lisbon, 18 January 2023: Esprinet S.p.A. (Borsa Italiana: PRT), a leading group in consulting, the sale or rental of technology products and IT security, received acknowledgement as Top Employers in Italy, Spain and Portugal.

Top Employers Institute is the certifying body for corporate excellence in HR, which has been active for over 30 years and helps accelerate HR excellence practices to help improve the world of work. The Certification, which is awarded after a process of analysis and evaluation of HR policies and strategies, is based on objective data, analyses and evaluates HR policies and strategies in 6 macro-areas, including 20 topics and their respective Best Practices.

The prestigious international award on Best Practices in Human Resources policies and strategies is a confirmation for the Italian companies, as well as the Spanish and Portuguese companies of the Group.

Several initiatives enabled Esprinet to reconfirm the achievement of this milestone: trainings, delivered to all employees through the Reskill digital learning environment, Employer Branding and Talent Acquisition processes, the Graduate Program, constant feedback management through the Feedback4you platform; a clear and effective communication of values and business strategy, sustainability initiatives, Welfare and Wellbeing policies and important Inclusion & Diversity initiatives.

Ettore Sorace, HR Director of the Esprinet Group commented: *“We are very happy to have renewed the certification in Italy and to have obtained it also in Spain and Portugal. For us it represents further recognition of the effectiveness of the activities we are implementing to increase the well-being of our employees. For the near future we set ourselves increasingly ambitious goals, with the certainty of continuing to create value for our people and for the company”.*

Esprinet is an enabler of the technological ecosystem that, with a strong vocation for environmental and social sustainability, promotes tech democracy. With a comprehensive offering of advisory services, IT security, services and products for sale or rental through an extensive network of professional resellers, Esprinet is the leading Group in Southern Europe (Italy, Spain and Portugal), the fourth in Europe and in the top ten at the global level. With over 1,600 employees and €4.5 billion in sales in 2020, Esprinet (PRT:IM – ISIN IT0003850929) is listed on the Italian Stock Exchange.
