

Esprinet Group joins UN Global Compact

The participation to the United Nations voluntary initiative that promotes a sustainable economy has been formalized

Vimercate (Monza Brianza), 11 June 2024 – ESPRINET, a leading Group in Southern Europe in advisory services, sale and rental of technological products and IT security is pleased to announce to have joined the United Nations Global Compact initiative – a voluntary leadership platform for the development, implementation, and disclosure of responsible business practices.

With this announcement, Esprinet Group is proud to join thousands of other companies globally committed to taking responsible business action to create the world we all want.

The UN Global Compact is a call to companies everywhere to align their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption, and to take action in support of UN goals and issues embodied in the Sustainable Development Goals (SDGs).

Launched in 2000, the UN Global Compact is the largest corporate sustainability initiative in the world, with more than 15,000 companies and 3,000 non-business signatories based in over 160 countries, and more than 70 Local Networks.

Alessandro Cattani, Chief Executive Officer of ESPRINET: *"As part of our commitment to sustainable and responsible business practices, we are proud to have joined the United Nations Global Compact embedding the Ten Principles into our strategies and operations. The growing threats of climate change and social inequalities, as well as the need for transparency in corporate governance, continue to present us with major challenges. This is why we feel the responsibility to reaffirm our commitment to our role as the leading ICT company in Southern Europe in the extraordinary transformation process. With this important participation, we have taken a step forward in contributing to the mission of shaping the future by creating a close link between technology and sustainability, always guided by our core values".*

As a participant of the initiative, we encourage you to visit [our profile](#) on the UN Global Compact website and learn more about our latest sustainability work ([2023 Sustainability Report](#)).
