

Roberto Sasso appointed Chief Financial Officer of the Esprinet Group

Reporting directly to the Chief Operating Officer, he will be responsible for supervising the Administration, Finance, and Control department

Vimercate (Monza Brianza), 12 gennaio 2026 – Esprinet S.p.A. (Borsa Italiana: PRT), a leading Group in Southern Europe in the distribution of high tech products and in the provision of applications and services for digital transformation and green transition, announces that it has appointed Roberto Sasso, formerly Group Controlling Officer, as Chief Financial Officer.

Born in 1976, Roberto Sasso graduated in Economics and Business from the University of Bari and began his professional career in auditing firms, dealing with the auditing of statutory and consolidated national and international financial statements. In 2007, he joined Esprinet as a specialist in consolidated financial statements and international IFRS and Italian OIC accounting standards, before becoming Administrative Director for Italy. In 2020, he was appointed Group Budgeting & Financial Analysis Manager and, in 2024, Group Controlling Officer.

As Chief Financial Officer reporting directly to the Chief Operating Officer, Sasso will be responsible for Administration, Finance, and Control, and will oversee financial and strategic planning for Group companies. In addition, he will assist the Chief Executive Officer and Chief Operating Officer in the evaluation and management of all M&A transactions.

This appointment represents an important step in the growth and consolidation of the Esprinet Group, confirming its focus on developing internal skills and managerial continuity.

*"I am glad to entrust this strategic role to Roberto Sasso, a professional in whom I have the utmost confidence and with whom I have enjoyed working for several years.", commented **Giovanni Testa**, Chief Operating Officer of Esprinet Group. "Thanks to his in-depth knowledge of the Group and his experience in financial planning, targeted business development, and M&A operations, I am confident that he will achieve significant results".*

*"Taking on this role at Esprinet means continuing on a path of growth in line with the experience and knowledge of the Group and its dynamics. I am grateful to the Chief Operating Officer and the Board of Directors for their trust and am excited to begin this new phase of my career, in which I will do my utmost to contribute to the future development and value creation of the Group", added **Roberto Sasso**, Chief Financial Officer of Esprinet Group.*

Esprinet Group, leader nel sud Europa nella distribuzione di prodotti high tech e nella fornitura di applicazioni e servizi per la trasformazione digitale e per la green transition, è un gruppo di società che agisce sotto la direzione della holding Esprinet S.p.A. Forti di 1.800 collaboratori e 4,1 miliardi di euro di fatturato nel 2024, le società del Gruppo operano attraverso tre marchi principali: Esprinet, V-Valley e Zeliatech.
